**INFORMATION:**

On the above date and time, I was sitting in at a Township Board Regular Meeting, which is part of my regular duties as Chief of Police for the Bridgeport Township Police Department. During the public Board Meeting, a subject identified as MARK ADAMS became very disruptive and was asked to quiet down or leave by TOWNSHIP SUPERVISOR AUGIE TAUSEND. MARK ADAMS continued to be disruptive and was subsequently arrested.

It should be noted that MARK ADAMS has a history of being disruptive during Board Meetings as well as during regular business hours and has been asked to leave and escorted from the building on previous occasions.

**RULES OF PUBLIC COMMENT & PARTICIPATION - BOARD MEETINGS:**

The rules of public comment & participation are listed on the back of Township Board agendas that are handed out at every Board Meeting and are also posted on the web-site for Bridgeport Charter Township. See attached Rules for further information. It should further be noted that ADAMS recognized and referred to "the rules of conduct" in his summary paper that he handed out to Board Members and other audience members.

**OFFICER'S OBSERVATIONS:**

During the public comment portion of the meeting, MARK ADAMS spoke to the board reference how he felt his rights had been violated. MARK ADAMS spoke well past the allotted 3 minute time limit for public comments. SUPERVISOR TAUSEND warned ADAMS that he had spoken past the allotted 3 minutes and requested he summarize his statement. ADAMS advised his summary was in the paper he provided to the Board and audience members at the meeting. ADAMS then continued to say that the Board had violated his rights. SUPERVISOR TAUSEND then requested ADAMS have a seat advising his time was up. SUPERVISOR TAUSEND attempted to interrupt ADAMS 4 times as ADAMS continued to become louder and more disruptive. ADAMS also directed his attention to myself and other Officers and said, "I think looking at all the Police here, we know your intent". ADAMS continued to be disruptive and SUPERVISOR TAUSEND looked at me and said, "Chief". It had previously been directed to me that if the Supervisor requested my assistance, he would just call out, "Chief".

I then approached ADAMS and advised him he was disrupting the meeting and he could sit down or leave. I advised him to sit down or leave twice as I walked toward him. It should further be noted that I was in full uniform and ADAMS had already recognized our presence as Police Officers. ADAMS turned toward me in an aggressive stance and said, "No", he was addressing the Board. At that time I advised him twice that he was now under arrest for disrupting the meeting. As I grabbed ADAMS' arm, he attempted to pull away from me and became very aggressive. I secured his left arm while Sgt. Roberts, who was also in full uniform, secured his right arm. I advised him several times, "Do not resist", as we escorted him out of the Board Room.

ADAMS continued to resist and attempt to pull away while we escorted him into the hallway. I continued to tell him that he was under arrest for disrupting a public meeting and now also for resisting and obstructing. In the hallway, ADAMS continued to attempt to pull away as myself, Sgt. Roberts, Officer Price and Officer Walker secured him in handcuffs as he was standing and struggling with us. During the struggle, ADAMS eyeglasses fell to the floor. ADAMS yelled, "Don't break my \$800 glasses" and then began to stomp his feet on the ground as though he was attempting to step on his own glasses. His glasses fell by Officer Walker who was able to block the glasses from being damaged. After ADAMS was placed into handcuffs and secured, his eye glasses were placed back on his head.

ADAMS was then escorted to the elevator and taken to the 1st floor on the elevator by myself, Sgt. Roberts and Officer Price. I advised Officer Walker to bring his patrol Tahoe to the front of the building. Sgt. Roberts, Officer Price, myself, an unknown female, and a subject later identified as BELCHER waited in the lobby of the Governmental Center with ADAMS until Officer Walker drove up front. ADAMS was then taken out to the Tahoe and secured in the rear seat of the Tahoe. The unknown female had brought down ADAMS' jacket and keys. ADAMS requested his keys remain with BELCHER.

Officer Walker then transported ADAMS to the Saginaw County Jail where he was booked and lodged for Disrupting a Public Meeting and Resisting and Obstructing a Police Officer.

**CONTACT WITH BELCHER:**

A subject who verbally identified himself as BELCHER video taped the incident from the Board Room down to the front of the building where ADAMS was placed into the Tahoe. ADAMS continued to tell BELCHER to get everything on video. Upon ADAMS being placed into the Tahoe and ADAMS requesting BELCHER keep his keys, I requested BELCHER's ID. BELCHER advised me he would only tell me his first and last name and that was all I needed to know. BELCHER then asked me why I needed that information. I advised BELCHER he had video taped the incident and his video may need to be subpoenaed as evidence. BELCHER still refused to give me any additional information.

I located BELCHER through a scan in LEIN and verified his driver's license photograph. I located a phone number for BELCHER (810) 247-1553. I called BELCHER on 3-5-14 at approximately 1545 hours and left a message requesting he contact me so I could request a copy of his video. BELCHER called me back at approximately 1600 hours on 3-5-14. BELCHER advised me that he had been using ADAMS camera and he no longer had the camera. BELCHER advised he gave the camera back to the family. BELCHER advised me that he would call ADAMS brother and see if he was willing to give me a copy of the video.

**VIDEO/AUDIO TAPE:**

After ADAMS had begun speaking at the podium, DPW Director RUTH ANN EVANS began to audio/video record the incident. It should be noted that ADAMS had already begun addressing the Board prior to the recording starting. The video indicates that ADAMS spoke for over 3 minutes and 41 seconds before SUPERVISOR TAUSEND advised ADAMS that he had gone over his allotted 3 minutes and requested he summarize. ADAMS continued to speak for an additional 27 seconds and then SUPERVISOR TAUSEND attempted to interrupt ADAMS and requested he sit down at 4:08 of the recording.

At 4:26 of the recording, SUPERVISOR TAUSEND requests my assistance. After warning ADAMS to sit down or leave because he was disrupting the meeting, I advised ADAMS he was under arrest at 4:40 of the recording. The video continues to record ADAMS disrupting the meeting and resisting and obstructing myself as well as Sgt. Roberts, Officer Price and Officer Walker until 5:31 of the recording.

EVANS sent me a digital copy of her recording. I burned the recording to DVD to be forwarded to the SCPO for their review.

It should also be noted that I observed a video posted to youtube.com of the incident. The link for the video is:

**NARRATIVE:**

**INFORMATION:**

On 3-4-14 at approximately hrs. I observed Chief Duffett and Sgt. Roberts attempting to take a white male suspect, later identified as Mark Adams, into custody.

Chief Duffett and Sgt. Roberts escorted Adams out of the council chambers into the hallway. Adams was continuously attempting to pull his arms away from officers. Chief Duffett and Sgt. Roberts kept advising Adams to stop resisting and attempted to control his arms to place him in handcuffs. Adams' glasses fell off of his face onto the floor at one point during his resisting. I stood over Adams' glasses as he was saying his glasses fell off. After Adams was placed in handcuffs I placed Adams' glasses back onto his face.

Adams continually asked why he was being arrested and Chief Duffett advised him several times for disrupting a public meeting and resisting and obstructing.

After Adams was placed in handcuffs he was brought down on the elevator to the first floor. Adams was brought out the front door. Adams was searched and placed in the back seat of my patrol vehicle.

Chief Duffett asked Adams while being filmed by his associate if he wanted his associate to take his keys. Adams advised that he did.

**LODGED**

At approximately 1828 hrs. Adams was transported by me to the Saginaw County Jail where he was lodged for resisting and obstruction of officers and disrupting a public meeting. I arrived at the Saginaw County Jail at approximately 1842 hrs.

**DISPOSITION:**

Case will be open pending prosecutor review.

**SUBJECT: This email is to:**

- 1) request a 15 minute Agenda Item to redress the following grievances with Bridgeport Township officials at our next Bridgeport Township meeting, March 4, 2014
- 2) advise & invite ALL my elected officials to attend this critical Township meeting and START honoring your Oaths and Constitutions of the USA and State of Michigan you were sworn to uphold
- 3) call for Michigan law enforcement (ALL jurisdictions) and for a Grand Jury to investigate unlawful activities, abuses of power and remedy Bridgeport political corruption NOW destroying Bridgeport,

Saginaw County and Michigan's economies, citizens rights, quality of life and tourism (same as Detroit, Flint, Saginaw, Benton Harbor and other once great and economically viable Michigan cities) became hopelessly corrupted and lawless to the extent they are NOW unConstitutional as Hell, extremely dangerous and undesirable places to build a business or raise a family and on the brink of bankruptcy to where political bosses are appointed to rule over elected officials' decisions. No one wants to live in or travel to a police state where public officials are allowed to conspire against fellow Americans, profit and prosper from ongoing criminal enterprises and human rights violations.

**The REQUESTED APPEARANCE is to redress grievances resulting from over three years perpetual harassments and illegal activities by Bridgeport, Michigan's elected officials, political appointees and hired help who blindly carry out tyrannical orders and hate crimes without regard for citizens Rights, State and Federal Rules of Law. The short list of grievances to be discussed includes but is not limited to Bridgeport Township's :**

- 1) ongoing moral turpitude, unlawful conspiracy and corrupt activities by public officials
- 2) persistent violations of citizens Constitutional rights, State, Federal and International Rules of Law where our business has been forced to attend some 25 corrupt & illegal show trials, extreme restrictions on my rights to due process, freedom of mobility, blocked me from attending International meetings vital to our business, infringing on my rights to freely compete in the global economy, destroying wonderful economic opportunities for Michigan residents, workers, and farmers
- 3) violations of State Open Meetings Act, EXTREME police harassment and violations of citizens rights at public meetings as ordered by Bridgeport's entire Township Board
- 4) violations of Freedom of Information Laws (FOIA review will not be necessary IF Rose Licht and Ron Wheatley fulfill ALL my prior written requests before the meeting)
- 5) cover-up of illegal sewage and hazardous waste dumpings in the Cass River, persistent denials of public oversight, NO TRANSPARENCY of vital public records and blockaded public facilities
- 6) corruption, lawlessness and selective law enforcement by Bridgeport Police Department, Saginaw County Sheriff & Michigan State Police. Law enforcement's repeated failures / refusals to properly use and calibrate electronic devices used over ten years to harass, intimidate and unfairly convict American citizens over ten (10) years (ie. radar, breathalyzers, decibel meters, etc.)
- 7) All public officials who violate their oaths of office should be expelled from office and prosecuted
- 8) Continuing to employ corrupted individuals, like Ron Wheatley and Floyd Kloc from outside the Township, cover-up outrageous violations of property owners rights, misusing public funds to harass citizens and shield corrupted Township Board members from court subpoenas and other legal fallout.
- 9) Hate crimes, perpetual harassments since June 2011 and persistent human rights violations by Township officials as documented in the Township's September 6, 2013 hate letter
- 10) Destroying ALL economic opportunities on private lands while crushing citizens rights and do-it-yourself projects to be safe and secure on their own private property
- 11) Stop issuing contracts to corporations who drafted the corrupted Township Plans and Codes imposed on citizens (i.e. Spicer Engineering)
- 12) Bridgeport Township and State officials need to be CHARGED and PROSECUTED for relentless domestic terrorism of residents, forcing citizens to remove "unpermitted" bird feeders, BBQ grills, solar lights, security systems, landscaping, etc. Bridgeport Township is still in court seeking to remove ALL electronics off the farm
- 13) Bridgeport Township and State officials need to be CHARGED and PROSECUTED for relentless criminal trespasses on citizens land without owners knowledge, consent, or a Warrant.
- 14) Bridgeport Township and State officials need to be CHARGED and PROSECUTED for relentless molestation of citizens rights to equal protection under the law, violations of double jeopardy rules of law resulting in illegal triple convictions each for (a) having a Winnebago and (b) <200 sq. ft. barn on the farm.
- 15) Tax Fraud (billing property owners for criminal acts and costs of selectively and illegally enforcing the new Corporate imposed rules. Then without due process, padding citizens tax bills with fraudulent

billings (i.e. \$100 per hour x 2 to mow my farm + \$400 Usury fees). Ultimately stealing the land of citizens not buckling to the extortion (STILL awaiting law enforcement).

16) Theft of Agricultural land, rezoning to Residential vacant without any discussion or due process, paying down-and-out-of-town Attorney Floyd Kloc to perpetually harass, deny Right to Farm laws, enforcing Stop Work Order since 2012, NOW seeking to destroy all economic activities & improvements, landscaping, farming, landscaping, business and recreational uses of the land.

17) Lawless Bridgeport cops deny Equal Protection Under the Law, NO RESPONSE from County, Township or State police to 911 calls after my Bridgeport property is vandalized and subject to repeated larceny, theft of kayaks, etc.

18) Bridgeport's Stop Work Order keeps me forever at risk, no longer free to be safe and secure on my own property. Blocked by Democrats from installing security landscaping, gate or security systems on my land. No freedom from unlawful intrusions and invasions of privacy, NO Regard for civil liberties or Constitutional Rights in Bridgeport Township / Saginaw County / State of Michigan.

19) State of Michigan and Bridgeport officials refused to honor and quashed State of Michigan District Court Subpoenas issued in my defense. State of Michigan Judges R Jurrens and T Clark ruled (improperly) that land owners investing in Bridgeport have far fewer rights, opportunities and freedoms than residents AND protects rogue public officials ruling they cannot be compelled to testify

20) NOW the Township is paying Spicer Engineering at great expense to taxpayers to build far more extensive Cass riverfront developments than private citizens are free to build for themselves.

21) Township sought to have the State incarcerate me December 16, 2013 for the holidays if I didn't pay thousands\$\$\$ (more than BP sold the property for) and succumb to their relentless attempted extortions. ANYTHING can happen when you buy land in a County and State where perpetrators of naked detentions of motorists STILL run free, Milton Hall is assassinated in cold blood, rogue cops and prosecutors takings of perfectly legal inventory & records, then conspired to destroy the Dewes family and Rock A Rolla stores that competed with Chamber of Commerce member businesses.

I further request that Bridgeport Township officials STOP ordering police to violate my Constitutional Rights at public meetings with impunity (I already have 4 video recordings of rogue cops in Bridgeport, ordered by mad, morally corrupted public officials denying my human rights INSIDE Bridgeport Township Hall), disrupting citizens testimony during public meetings, forcing citizens out of public meetings and public facilities under threats of extreme violence (Taliban Style).

At their March 4, 2014 meeting, I respectfully request that Bridgeport Democrats STRIKE DOWN all their new and unconstitutional "Boss Rule Policies", corrupted Corporate codes and ordinances, STOP ordering local police to harass political adversaries at public meetings. Stop terrorizing citizens, farmers, businesses into accepting Bridgeport's Boss Rule illegal codified "rules of conduct" that restrict public comments on government initiatives adversely affecting citizens quality of life, liberties and economic well being, such as (a) limiting victims' public comments to 3 minutes only per month and (b) codify it as "unlawful" for citizens to come back to Township meetings and discuss the same unresolved issue twice. Corrupt officials, and police who have imposed these clearcut violations of citizens rights should be incarcerated, removed from positions of responsibility and put on a human rights violators registry similar to the State's sexual predators registry.

The public has the right to know about their politicians / Democratic and Republican Parties persistent derelictions of duty, extreme abuses of power, violations of State Open Meetings Act, State FOIA laws, ongoing tax fraud (padding landowners tax bills with unlawful charges, arbitrary takings of Agricultural zoning status, Grand Theft of land and private property owners rights), broad ranging conspiracy engaged in well documented criminal activities, violations of Oaths of Office with impunity by persons STILL on the public payroll, selective law enforcements, deliberate and outright takings of citizens Constitutional Rights, un-American activities, violating UN Conventions on Human Rights which GUARANTEE ALL citizens EQUAL RIGHTS to Peace, Privacy, Justice, to be Safe and Secure

on their own land AND Liberty to engage in all lawful business activities and to freely enjoy Life, Liberty and the Pursuit of Happiness on the farm.

It will take at least 15 minutes, but I can stay as long as you like to review and redress grievances caused by YOUR ongoing Freedom of Information Act violations, four (4) counts of police brutality, harassment and violations of citizens rights as ordered by corrupt Bridgeport officials. Disrespect of Michigan Law and Constitution and harassments are ESCALATING as outlined in the Township's September 6, 2013 letter. ALL economic developments, business and recreational initiatives have been quashed by an ongoing criminal conspiracy of rogue officials STILL on the public payroll.

Americans have the Right to Know all about how elected Democratic Party officials persistent lawlessness, violations of Citizens Rights and Rules of Law, corruption and increasingly outrageous violations of their Oaths of Office have led Bridgeport Township, Saginaw County and the State of Michigan into economic ruin and moral decay. Americans should be protected from rogue Democratic Party operatives seeking to jail property owners not in strict adherence to the demands of the NEW "codes" and "ordinances" as drafted by a Florida Corporation, institutionalized by corrupt officials and prosecuted by hired thugs, down-and-outers from out-of-the-Township who violate citizens Rights without repercussions from law enforcement (ie. Ron Wheatley and Floyd Kloc). Bridgeport's conspiracy and illegal actions (against me and our family business economic interests) began in June 2011 (prohibiting all lawful land uses and economic developments) and NOW demanding the destruction of everything I've worked for.

That these documented illegal actions have been secretly and without due process codified, stacked on the books and upheld by corrupt State of Michigan Attorneys and Judges, County Sheriff and Prosecutor for YEARS qualifies such persistent and ongoing Crimes Against Humanity are now subject to enforcement action by International Criminal Courts. As you have succeeded in unlawfully stealing / taking my land this is your last chance to police yourself, take urgent and responsible actions to STOP bullying, START upholding the law and restoring ALL citizens' rights without further delay.

This email has been forwarded to the aforementioned public officials and law enforcement entities outside Bridgeport Township government as a call for action. Please phone (989-980-4418) or email (mark@adamsoil.com) ASAP to arrange a meeting to discuss what YOU can do to STOP ongoing corruption and criminal activities by aforementioned authorities. EACH of the Cc'd individuals are hereby requested to take urgent actions to REVERSE the illegal takings of my land, lift the Stop Work orders, uphold State and Federal laws, restore land and liberties stolen from me by corrupted public officials, stand up for citizens rights and uphold our Constitution.

Those who side with corrupt officials despite full knowledge of these acts of terrorism against good citizens and land owners in Bridgeport, Saginaw County and Michigan **will be named personally in the upcoming Federal Takings Lawsuit to be recover damages following the illegal takings of my family business' Bridgeport property by Bridgeport Township and Saginaw County fascist authorities, February 2014. Tonights' testimony is last call for Bridgeport officials to hear ALL the facts and avoid legal actions against them personally and Bridgeport Township as a hole.**

Sincerely,

Mark Adams
